SENIOR CREATIVE WRITER

I am a dynamic, bestselling Author and Creative Writer respected for ten years of writing bestselling books, scripts, and creative personal branding. As an innovative global thinker, I am committed to working with my clients to create an authentic, captivating, and influential literary voice through writing full-length memoirs and/or content driven books, scripts, and exclusive personal branding.

My proven track record illustrates years of delivering highly engaging and diverse content. Review of my qualifications showcases a combined professional background and proven experience in doing what I love which is capturing global attention through the art of written words. Clients remember me as a motivational, influential leader and collaborator who thrives on operating outside the box and engaging audiences around the world.

I thrive both in working alone as well as in fast-paced environments managing teams of high-performing creatives. I am confident that my professional experience, cross-functional leadership skills, and transformative initiatives will make me an excellent addition to your team.
